New Choices for YOU

Sequence

Sequence is a board and card game where players strategically place chips on a board to form lines of five in a row, horizontally, vertically, or diagonally. If you are interested in learning how to play sequence join Connie in the activity room on Monday, July 14th .

Kings in the Corner

Kings in the Corner is a classic card game that's a bit like Solitaire but with a multiplayer twist. Players aim to get rid of all their cards by playing them into a central layout of foundation piles, building up in suit from Ace to King. Kings are placed in the corners, and players can play off each other piles, which adds a fun strategic element. First one to empty their hand wins. Join Connie on Thursday, July 10th at the Bistro.
